

Farm families workshop

FREE Sustainable Farm Families workshop will be held next week in Lake Bolac.

The workshops address the health, wellbeing and safety issues facing the farming industries through a sustainable and evidence-based program, with solid research and cross-sector collaboration.

Group one workshops will be held on March 1, with a second group following on March 2. A Sustainable Farm Families 2008 group third year workshop will be

held on March 3.

Spaces for the valuable program are limited; if you wish to register or for more information contact Una Allender, Streatham branch co-ordinator on 5350 4244 or on 0419 891 920 or Vee Fay at the Lake Bolac Bush Bush Nursing Centre on 5355 8700.

Applications must be received by Vee Fay today. Further details are at www.sustainablefarmfamilies.org.au
